

# TRELLINET COMPOST

Compostable trellis netting made of cellulose

100% natural trellis netting.

## Benefits

Made from cellulose.  
100% natural and 100% compostable product.  
It offers a sustainable alternative to plastic trellises.  
Environmentally friendly and gentle on plants.  
Durable, can support the weight of larger vegetables (e.g. zucchini).  
Ideal for better growth and easier harvesting.
