# PROTEX

## Reinforced tarpaulin

If you don't have a permanent shelter in your garden for tools and large items, why not try the Protex reinforced tarpaulin in 90 g/m<sup>2</sup> polyethylene. This tarp is 100% watertight and has eyelets spaced at 1m intervals so it can be attached to different types of structure.

### Benefits

Highly resistant and 100% watertight polyethylene tarpaulin.  
 Lightweight but impermeable. Suitable for covering miscellaneous outdoor objects: lawnmower, trailer, boats, etc  
 Easy to-use with eyelets spaced at 1m intervals.  
 Long-lasting with excellent mechanical resistance.

### Characteristics

In 90 g/m<sup>2</sup> polyethylene.  
 UV resistant.  
 Life span of more than 2 years.  
 Available in different formats.
