

NORTENE®

HIVERZIP

(Over-)wintering covers

As well as retaining heat efficiently, this overwintering cover is very easy to set up. Unlike some traditional covers, this one has a zip closing and a draw cord to secure tightly around the plant pot.

Benefits

- Protects potted plants and shrubs
- Protects cold and frost-sensitive plants and shrubs from the cold, wind and hail.
- Overwintering hoods are air and water permeable and let the light in.
- Good heat insulation: creates a microclimate and retains accumulated heat.
- Ideal for protecting potted plants and shrubs
- Easy to set up, simply place over the plant.

Characteristics

In 50g/m² and 70/g m² non-woven polypropylene.
UV resistant.
