

NORTENE®

SUNNET KIT ELASTIC

Stretch shading fabric

This sun net will allow you to enjoy being outside throughout the summer, providing you with relaxation and freshness. Stretchy, it will adapt to all spaces.

Benefits

A square or triangular sun shade sail. Allows you to limit exposure to UV rays and lower the temperature of the shaded area. Its elastic material provides a perfect tension, without creases. Taupe or beige colors to be coordinated

Characteristics

Polyester.
Treated with UV protection.
Installation rope at each end (1.5m).
Weight: 160 g/m².
Guarantee: 2 years.
